

Gibraltar Mine: A Rock-Solid Foundation for Career Growth

At Taseko Mines, we're proud to call British Columbia our home. We are looking for enthusiastic employees who share our vision for long-term, responsible growth in this province.

Joining our Gibraltar Mine team makes you part of Canada's proud mining heritage. The Gibraltar copper-molybdenum mine is a cornerstone of the regional economy and an example of great Canadian mining in action. Located in the heart of BC's stunning Cariboo region, Gibraltar is approximately 60 km north of Williams Lake. It is the second largest open pit copper mine in Canada.

A sustainable mining operation with a 27 year mine life, Gibraltar is undergoing a significant multi-phase expansion taking our daily milling throughput to 85,000 tons per day and we're looking for talented candidates to help us facilitate this. That's where you come in...

We currently have a full time opportunity for a:

ENGINEER-IN-TRAINING, GEOTECHNICAL

Position Summary:

Reporting to the Senior Mine Engineer, the Engineer-in-Training, Geotechnical is responsible for providing technical direction for the design, construction and ongoing evaluation of pit walls, dumps, tailings dam and other mine site structures.

The employee may be rotated through positions within the Mine Engineering department to provide a background and education in mine operations, surveying, blasting, etc.

Specific Duties and Responsibilities include but are not limited to:

- Perform mapping and conduct geotechnical studies of pit walls, waste dumps and tailings dam
- Establish stable pit and tailings dam design parameters
- Provide geotechnical input for short-and long-range mine planning
- Plan and execute geotechnical investigations
- Design and manage the geotechnical pit wall, waste dump and tailings dam monitoring system
- Maintain geotechnical records and submit reports
- Maintain positive working relationships with operations and fellow engineering department personnel

Qualifications:

- Degree in Geotechnical Engineering; recent graduates will be considered
- Eligible for registration as an Engineer-In-Training with APEGBC
- Related mining experience would be considered a definite asset
- Strong computer skills with knowledge of MS office
- Accomplished written, verbal and group presentation skills are essential

Compensation:

Gibraltar offers an excellent benefit package which includes competitive salary, a Registered Retirement Savings Plan and relocation assistance to Williams Lake.

Qualified applicants, eligible to work in Canada, are invited to explore this opportunity by submitting a cover letter and detailed resume outlining your qualifications and experience, in confidence, by email to recruit@gibraltarmine.com or by fax to 250-392-3121.

Visit us at www.tasekomines.com to learn more about our New Prosperity, Aley and Harmony projects.

We thank all candidates who express interest; however only those selected for an interview will be contacted. Your application to this posting is deemed to be consent to the collection, use and necessary disclosure of personal information for the purposes of recruitment. Gibraltar Mines respects the privacy of all applicants and the confidentiality of personal information and we will retain this information for a period of six months.
