

Gibraltar Mine: A Rock-Solid Foundation for Career Growth

At Taseko Mines, we're proud to call British Columbia our home. We are looking for enthusiastic employees who share our vision for long-term, responsible growth in this province.

Joining our Gibraltar Mine team makes you part of Canada's proud mining heritage. The Gibraltar copper-molybdenum mine is a cornerstone of the regional economy and an example of great Canadian mining in action. Located in the heart of BC's stunning Cariboo region, Gibraltar is approximately 60 km north of Williams Lake. It is the second largest open pit copper mine in Canada.

A sustainable mining operation with a 27 year mine life, Gibraltar is undergoing a significant multi-phase expansion taking our daily milling throughput to 85,000 tons per day and we're looking for talented candidates to help us facilitate this. That's where you come in...

We currently have a full time opportunity for a:

MINE ENGINEER-IN-TRAINING

Position Summary:

Reporting to the Senior Mine Engineer, the Mine Engineer-in-Training is responsible for producing drill pattern and blast designs that meet production and budget goals while following the guidelines of the short range

The employee may be rotated through positions within the Mine Engineering department to provide a background and education in mine operations, surveying, blasting, etc. plan.

Specific Duties and Responsibilities include the following:

- Produce drill pattern and blast tie-in designs
- Monitor blasting practices to optimize and improve parameters including drilling, fragmentation and explosive consumption
- Manage the Aquila drill system
- Generate and distribute blast maps and notices
- Update blast records and produce monthly blasting, drilling and drill bit performance reports
- Generate weekly powder and blasting consumable forecasts
- Maintain effective information exchange with engineering department and operations department to resolve common issues/problems

Qualifications

- Degree in Mining Engineering; recent graduates will be considered
- Eligible for registration as an Engineer-In-Training with APEGBC
- Related mining experience would be considered a definite asset
- Strong computer skills with knowledge of MS office
- Accomplished written, verbal and group presentation skills are essential

Compensation

Gibraltar offers an excellent benefit package which includes competitive salary, a Registered Retirement Savings Plan and relocation assistance to Williams Lake.

Qualified applicants, eligible to work in Canada, are invited to explore this opportunity by submitting a cover letter and detailed resume outlining your qualifications and experience, in confidence, by email to recruit@gibraltarmine.com or by fax to 250-392-3121.

Visit us at www.tasekomines.com to learn more about our New Prosperity, Aley and Harmony projects.

We thank all candidates who express interest; however only those selected for an interview will be contacted. Your application to this posting is deemed to be consent to the collection, use and necessary disclosure of personal information for the purposes of recruitment. Gibraltar Mines respects the privacy of all applicants and the confidentiality of personal information and we will retain this information for a period of six months.
