

## **Gibraltar Mine: A Rock-Solid Foundation for Career Growth**

At Taseko Mines, we're proud to call British Columbia our home. We are looking for enthusiastic employees who share our vision for long-term, responsible growth in this province.

Joining our Gibraltar Mine team makes you part of Canada's proud mining heritage. The Gibraltar copper-molybdenum mine is a cornerstone of the regional economy and an example of great Canadian mining in action. Located in the heart of BC's stunning Cariboo region, Gibraltar is approximately 60 km north of Williams Lake. It is the second largest open pit copper mine in Canada.

A sustainable mining operation with a 27 year mine life, Gibraltar is undergoing a significant multi-phase expansion taking our daily milling throughput to 85,000 tons per day and we're looking for talented candidates to help us facilitate this. That's where you come in...

We currently have a full time opportunity for a:

### **MECHANICAL ENGINEER**

#### **Position Summary:**

Reporting to the Senior Maintenance Engineer, the Mechanical Engineer is responsible for design and selection of mechanical and electro-mechanical equipment and systems in support of mineral processing operations and the operation of supporting infrastructure.
